[Safety Center Overview](#)

## **How to get to your Company List**

There are several ways a company may choose to provide access to their MSDS inventory using the MSDSonline HQ system:

- A designated URL (Web page) on the Internet
- A shortcut icon on a user's PC/desktop
- A link on the company Intranet site

Be sure to ask your MSDS administrator which method has been implemented at your company.

## MSDS Search

Search by Product Name, Manufacturer, CAS #, and/or Product Code or search by indexed fields

### Search Your Company List

Search your Company List for an MSDS. The single search field allows you to search by product details, including Product Name, Manufacturer, CAS#, and Product Code.

Use the Advanced Search filters to narrow your search by specific Locations, Groups, or Product Data (such as PPE, NFPA Ratings, HMIS Ratings, Health Hazards, Physical Hazards, GHS Classifications, WHMIS Categories, etc.).
